13. DECEMBER 2007

## COMPUTER GRAPHICS I ASSIGNMENT

**Submission deadline for the exercises:** Monday, 17th December 2008

### 1 Proposals for Rendering Competition

We are asking you to provide your proposals for the upcoming rendering competition. Please write down your ideas for the animation. You are also asked to provide the list of topics you want to implement together with a formless description of how you plan to achieve it. Write and send a simple pdf file to your bremsen which includes the following:

- a) **Story:** one or two paragraphs describing your animation
- b) **Planned topics:** list of topics you want to cover including the topics which are not on the official rendering competition sheet. Write also a formless description how you are planned to implement it. List of all referencies might also be usefull if you already have it.
- c) **Time map:** write down a time diagram of planned topics deadlines, e.g. *implement effect X until 11.01.2008, implement effect Y until 12.01.2008, ...*
- d) **Topics for public discussion:** If you want to discuss some topics during the exercise session within the group, you can list them here.

Your ideas will be handled confidentially. Teaching assistants are asked not to provide your ideas to third parties.
